

Summit Supporters 2024

*Support organizations that
value sustainability*

Forest Level Supporters

Located on an isthmus between lakes, Wisconsin's capital city, Madison, has an estimated 258,054 residents. Madison is a progressive leader in environmental, political, and economical change within Dane County and the Midwest. The City of Madison is working towards an inclusive, innovative, and thriving community. <https://www.cityofmadison.com>

Community Shares of Wisconsin has been working to advance social justice and environmental protection for nearly 50 years. Its 70 member nonprofits lead efforts throughout Wisconsin to protect our civil rights and build a safe and sustainable future where everyone can thrive. www.communityshares.com

DANE COUNTY DEPARTMENT OF
WASTE & RENEWABLES

Our mission is to provide environmentally sound and sustainable waste management and renewable energy solutions for current Dane County residents and future generations. The Department is responsible for the management and operation of the County's landfills, renewable natural gas (RNG) facilities, Clean Sweep, construction and demolition (C&D) recycling facility and various recycling programs. <https://landfill.countyofdane.com/>

Everlight Solar

Headquartered in Verona, Everlight Solar is the largest home solar company in Wisconsin and the fastest-growing in the Midwest. With operations across eight states and staff located in 30 states, Everlight Solar is growing fast and proud of their Dane County roots. Everlight Solar enables households to own their power instead of renting it from the power company. They supply the solar panels and take care of all the installation for no upfront cost to make going solar headache and hassle-free. <https://everlightsolar.com/>

Focus on Energy, Wisconsin's Statewide resource for energy efficiency and renewable energy program, encourages businesses to make informed energy decisions. By providing information, project support, and cash back incentives, we are an unbiased, third-party expert to help you lower the cost of doing business. <https://focusonenergy.com>

Ho-Chunk Gaming Madison features a 100% smoke-free gaming floor filled with a large variety of game themes that yield the highest payout percentage in the region. Our staff is committed to provide you with the best possible gaming experience in the area. <https://www.ho-chunkgaming.com/madison/>

Illumina is an applied genomics technology company making genomics useful for all. We are tirelessly working to create the leading-edge technology that enables clinicians and researchers to not only understand the genome but also fully tap its power – making possible everything from ancestry and population health genetics, to drug companion diagnostics and COVID variant testing. <https://www.illumina.com/>

IPM Institute works on a range of projects to increase practices that improve working conditions, reduce greenhouse gases, improve air quality, water quality and soil health and reduce risks to health and the environment from pesticide and nutrient use in agriculture and communities. <https://ipminstitute.org/>

your community energy company

Madison Gas and Electric (MGE) is your community energy company, targeting net-zero carbon electricity for all customers by 2050. By working together, we can achieve our shared goal of a cleaner, more sustainable future for our community. Join us. <https://www.mge2050.com/>

RENEW Wisconsin is a nonprofit organization that promotes renewable energy in Wisconsin. RENEW works on policies and programs that expand solar power, wind power, biogas, local hydropower, geothermal energy, and electric vehicles. Since 1991 RENEW has been a champion for clean energy solutions in the Badger State. <https://www.renewwisconsin.org>

BWBR is a team of professionals in architecture, interior design, planning, and research working to transform lives through exceptional environments. For nearly 100 years, the firm has designed solutions to enhance how people learn, work, heal, pray, and play in engaging and empowering spaces. <https://www.bwbr.com/>

[City of Fitchburg](#)

The City of Fitchburg is a young, dynamic and evolving community. Incorporated in 1984, Fitchburg has successfully grown into a place known for attractive, family-oriented neighborhoods; a thriving technology-led business community; and well-designed, unique urban centers. Fitchburg has grown intelligently and strategically with a focus on first-rate design, green space preservation, and economic development. <https://www.fitchburgwi.gov/>

[City of Middleton](#)

Middleton is a vibrant, urban ring city on the west side of Madison, the state capital. Our community offers the best of living and working in a small city while having all the great attributes of a dynamic larger city. <https://www.cityofmiddleton.us/>

[City of Stoughton](#)

Stoughton Wisconsin is the birth place of the coffee break, community television and the world famous Stoughton High School Norwegian Dancers. Located on the scenic Yahara River, Stoughton is just minutes away from the state capitol of Madison Wisconsin. <https://www.cityofstoughton.com/>

[City of Sun Prairie](#)

Sun Prairie is a growing vibrant community located northeast of Madison. Sun Prairie is known in the region for its high quality of life, excellent parks and recreation programs, historic downtown, exceptional public school system, and practical approach to the community.

<https://www.cityofsunprairie.com>

[Covenant Presbyterian Church](#)

Covenant Presbyterian Church is a community of people who gather to worship, learn, and grow as Christians. We don't have all the answers, but seek to discover God's will in our families, community, and across the world. Together, we enjoy fellowship and strive to serve God everyday.

<https://www.covenantmadison.org>

[Dane Buy Local](#)

Dane Buy Local's mission is to educate the public about the benefits of thinking locally, to promote our members' products and services to the community, and to collaborate with like-minded organizations. We believe that national prosperity and a better quality of life, for all, begins locally.

<https://www.danebuylocal.com>

[Dane County Extension](#)

The Division of Extension is a unique partnership of counties, the U.S. Department of Agriculture and the University of Wisconsin working together to help people put knowledge to work. This partnership brings education to people where they live, through Extension offices in each of Wisconsin's counties. It supports educational programs for farmers, businesses, communities, families and young people.

<https://extension.wisc.edu/>

[Dane County Youth Environmental Committee](#)

A non-profit organization led by environmental student leaders across Dane County with the mission to collaborate and create a united Dane County student front, to inspire each other, work with each other, and come back to our respective communities with ideas and hope.

<https://www.dcyec.org>

[DC Engineering](#)

DC Engineering's vision & mission is to contribute to the success of our clients by defining, refining, and implementing solutions to enrich the lives of people through engineering. We understand that investing in, and empowering our colleagues is essential and the basis of our core operating principles. <https://www.dceengineering.net>

[Destination Madison](#)

As Greater Madison's official destination marketing organization, Destination Madison drives economic impact through tourism. We attract leisure visitors, convention and sporting events to the area, and partner with local businesses to position Madison as one of the world's most vibrant and innovative places to live, work and visit.

<https://www.visitmadison.com>

[Downtown Madison Inc.](#)

Downtown Madison, Inc. (DMI) is a not-for-profit advocacy organization formed to support a healthy and thriving downtown Madison. We represent the interests of businesses, residents, and employees to ensure that our downtown is a great place to live, work, play, and visit.

<https://downtownmadison.org>

Edward Jones – Josh Grotheer

ESG-focused, fiduciary Financial Advisor serving individuals and small business in and around Dane County.

<https://www.edwardjones.com/us-en>

Envest Microfinance

Envest is a for-profit global microfinance fund that offers a unique impact investment opportunity for accredited investors. We believe that using financially sound market mechanisms to create a more equitable economy is critical to reducing widespread global poverty.

<https://envestmicrofinance.com/>

EZ Office Products

Even the smallest changes can help protect the environment to sustain Dane County and beyond. Choose EZ Office Products as your local office supply company and help reduce the waste your organization produces. Let us show you how! EZOP has innovative ways to help your business be more sustainable. We have several zero cost programs designed to help lower your carbon footprint. <https://www.ezop.com>

First United Methodist Church

First United Methodist Church was the first church in Madison and is located in the heart of the capital city. We are committed to supporting our downtown community by being a credible partner, a leader in the community, and building relationships that help transform human lives and nurture the soul. <https://fumc.org>

Flad Architects

Flad Architects is a national planning and design firm committed to creating environments that enhance human potential. Summit Sponsors

Associated Bank is proud to be the Champion of You. We bring together nearly 200 branch locations and modern banking solutions to strengthen our community. Because we're rooted here, we're committed to local development and ensuring your financial success. Together, we're building a brighter, more vibrant Midwest. <https://www.associatedbank.com/>

Located on an isthmus between lakes, Wisconsin's capital city, Madison, has an estimated 258,054 residents. Madison is a progressive leader in environmental, political, and economical change within Dane County and the Midwest. The City of Madison is working towards an inclusive, innovative, and thriving community. <https://www.cityofmadison.com>

[Carton Council](https://www.recyclecartons.com/)

The Carton Council is an industry organization committed to growing carton recycling in the U.S. By promoting both recycling technology and local collection programs, as well as growing awareness that cartons are recyclable, we work to limit the number of cartons that become waste. We've had significant success in just over a decade by helping to bring carton recycling to the majority of households across the United States. www.recyclecartons.com/

The Couillard Solar Foundation promotes the expansion of solar energy in Wisconsin through partnerships with renewable energy focused, Wisconsin-based organizations. Our mutual goal is to help Wisconsin nonprofits, including schools, churches, conservation organization, foodbanks and shelters, as well as other community organizations, join the renewable energy revolution. <https://couillardsolarfoundation.org/>

We design and implement programs that reduce costs, protect people and the environment, and ensure the benefits of clean and efficient energy use reach those who need them most. <https://www.elevateenergy.org>

[Faith in Place](#)

[Full Spectrum Solar](#)

[Madison Concourse Hotel](#)

[Miron Construction Co.](#)

Headquartered in Verona, Everlight Solar is the largest home solar company in Wisconsin and the fastest-growing in the Midwest. With operations across eight states and staff located in 30 states, Everlight Solar is growing fast and proud of their Dane County roots. Everlight Solar enables households to own their power instead of renting it from the power company. They supply the solar panels and take care of all the installation for no upfront cost to make going solar headache and hassle-free. <https://everlightsolar.com/>

Faith in Place is a Chicago-based organization that works with religious communities to address environmental issues and create sustainable communities. <https://www.faithinplace.org/>

Full service solar energy contractor, offering complete, turn-key installation of photovoltaic (solar-electric) systems for businesses, homeowners, public authorities, and community organizations. <https://fullspectrumssolar.com>

[Madison LakeWay Partners](#)

Madison LakeWay Partners works with the City of Madison to leverage philanthropic dollars in order to reimagine the Lake Monona waterfront. The Partners imagine the waterfront as a welcoming destination for all Madison residents and visitors. A waterfront destination that connects Downtown Madison to Lake Monona, enhances community connections, increases physical and visual access to the lake, improves Lake Monona's water quality and aquatic habitat, celebrates Frank Lloyd Wright's architectural legacy in Madison, and recognizes Lake Monona's cultural history. <https://www.madisonlakeway.org/>

[Nelson Institute of Environmental Studies](#)

The Nelson Institute for Environmental Studies is confronting global environmental challenges through imaginative research that transcends boundaries, hands-on education that bridges classrooms and communities, and public programs that foster environmental conversations among people from business, government, academia, and advocacy. <https://nelson.wisc.edu/>

[Ralph K Morris Foundation](#)

The Ralph K. Morris Foundation advances the principles of cooperation and promotes farmland preservation, land stewardship and sustainability by supporting creative thinking, research, education, and outreach. Activities include the Tom Lyon Family Leadership Symposium, the Rod Nilsestuen Legacy Program, and scholarships for emerging leaders. <https://www.ralphkmmorrisfoundation.org/>

[SCS Engineers](#)

SCS Engineers is committed to shaping a greener future by providing comprehensive sustainability services. Our team of experts delivers innovative solutions that drive environmental stewardship and help businesses thrive in a sustainable manner. The pursuit of Environmental, Social, and Governance (ESG) standards has been proven to boost employee performance and morale. We take pride in being a downstream partner on your ESG and sustainability journey. While others are focused on identifying baselines to define NetZero goals and timelines, SCS works with you through plan development and project execution to advance sustainability initiatives and ultimately, meet goals. <https://www.scsengineers.com/>

[SRF Consulting](#)

SRF is a leading consulting firm committed to improving the future of public and private infrastructure and transportation systems. Our comprehensive approach integrates planning, engineering, landscape architecture, and project delivery to provide innovative and sustainable solutions. www.srfconsulting.com/

University of Wisconsin – Madison, Community Relations

The primary role of Community Relations is to listen to community members. How can UW–Madison better serve your needs? Your answers to that question guide our mission. To ensure our ears remain to the ground, we actively participate on many local committees and maintain close relationships with city and county offices.

<https://communityrelations.wisc.edu/>

Located in Madison, Wisconsin, Virent is working to commercialize its BioForming® technology to create the fuels and chemicals the world demands from a wide range of naturally occurring, renewable resources. Using patented catalytic chemistry, Virent converts bio-based sugar feedstocks into products molecularly identical to those made from petroleum. Virent’s technology can produce a range of fuel products including gasoline, diesel, and jet fuel, as well as chemicals used for plastics, fibers and films. www.virent.com/

Wisconsin Energy Institute

The Wisconsin Energy Institute (WEI) is working on one of the most critical challenges of our time – the transition toward new, clean energy systems and solutions.
