

All Around Dane County

Sustainability is happening all around Dane County! Join us as we spotlight local people and projects making a difference in your community. This year, we're excited to add new outdoor and walking programs to showcase sustainability in action. By sponsoring, your organization will be recognized as a champion of sustainability and community impact. For questions or to get involved, contact spencer@sustaindane.org.

"My connection to nature shows up frequently... I feel it myself when I can just go out and be in nature, focusing on nothing but being."

– Luke Klobberdanz, CEO, Ice Age Trail Alliance at the Sustain Dane Summit
