

Powerful Teen Leaders

Powerful Teen Leaders is a summer youth employment program for Northside teens in Madison, WI. This is a paid employment opportunity that includes workforce experience and job readiness training, with a particular focus on future employment in the green jobs economy.

2026 Program Includes:

- Learning about the lakes and marine wildlife with UW-Madison Center for Limnology
- Solar panel installation course with Madison College
- Introduction to fusion energy with Realta Fusion
- Tour of the landfill with Dane County Waste + Renewables
- Resume and networking workshop
- Nature journaling and tour of the Arboretum
- + Much more!

“I love this program and wish to be in it again next year. I want to continue to help our environment because even if nobody cares I still wanna help because YOLO... This job has given me so much inspiration and motivation and I’m so ready for change.”

- 2025 PTL Participant

Program Information:

- Warner Park Community Recreation Center
- June 16 to July 31 (Tuesdays, Wednesday, and Thursdays)
- 10 AM – 3 PM
- \$18 / hour
- Rolling interviews starting in April
